

Ways You Can Help

Milk Cap Program:

During the last school year we were able to collect Milk caps from Morning Glory and Golden Guernsey. We will continue with this program for another school year. You may drop off the caps in the library of the church basement or at school. Thank you for your support.

Cans & Tabs:

Continue to save your soda cans for the youth group. You may drop your cans off at Mr. Muchka's house anytime. Just put them by the garage door. Before dropping your cans at Mr. Muchka's home, remove the tab from them for the Ronald McDonald House. You may drop the tabs off at school or in the library area of the church basement. Thank you! (Two big boxes full of tabs were recently taken to the Ronald McDonald House in Milwaukee. They use the money from them to help families who have children at the hospital.)

Box Tops for Education:

Please continue to save your General Mills box tops. The school receives 10 cents for each box top. This money is used to off-set the cost of the upper grade field trip. Thank you for your support. You may drop your box tops off in the church library area or at school. If you need a copy of the available products there are sheets in the rack by the mailboxes in the church basement or ask at the office.

Campbell's Soup Labels:

Campbell Labels—Requirement Changes!

The Campbell label program has made a significant change in what is submitted. Instead of saving the front panel from their products; **only UPC symbols are now being accepted.** Please clip the UPC from the label or send the label in its entirety. Thank you for participating. Some of the items received this last year from the collection of Campbell Soup Labels are: water color paints, 1 gallon of Elmer's school glue, 2 play ground balls, 2 soccer cones, 2 portable ball carts, 2 mesh ball nets, 2 8.5 play ground balls, 2 soft ball bases, 1 classroom clock kit, 1 liquid tempera paint. Thank you for your help

Stamps:

Cancelled postage stamps are still being collected. There is a box located in the church basement library area for the stamps or turn them into the office at school. If possible, cut them out from the envelope with a quarter inch border. Thank you.

Old Eye Glasses:

Old eyeglasses are still being collected. You may drop your old glasses off in the library area of the church basement or in the school office.
