“Assisting Families to Glorify God as we Grow and Go with the Gospel”

What’s In A Name?

This week’s psalm of the day, Psalm 8, tells us that God’s name is majestic. In other words, there is majesty in God’s name. There are other names in this world that might receive a lot of attention. The latest teen heartthrob has a name that young girls might shriek when they simply catch a glimpse of him. Entire stadiums might shake as a players name is chanted over and over. But none of these names have the same majesty as the name of the LORD.

God’s name is majestic because it is the only name by which we can be saved. The majesty of God’s name is seen so clearly when we focus on his undeserved love. He loved the world when the world was lost in sin. This knowledge is incredible to contemplate. Yet, do we really stop and contemplate the majesty of God’s name? If we did, would we use it so often to express anger, frustration, and bitterness? Would we use it to routinely call upon God to send people or things to hell?

What makes God’s name so majestic is that in spite of our careless use of his name he still lived and died to take away our sins. He loves and forgives all our foolishness through the life and death of Christ. That motivates us to make this majestic name known throughout the earth. What will you do to see to it that others know the meaning of God’s majestic name?

Psalm 8

O LORD, our LORD, how majestic is your name in all the earth!

YOUTH GROUP

Youth Group Bible Study will **meet next on June 3rd, at 7:00 p.m.** We will begin a new Bible study series entitled "It's a Big Deal: Faith Issues". Open gym will follow. We invite all high school age young adults to join us as we continue to grow in the grace and knowledge of our Lord Jesus Christ. Bring a friend as well!

MISSING

It has been brought to our attention that there are several items

missing from the kitchen such as: **crock pots, colanders, coffee pots, and a 30-40 cup coffee maker**. If you have borrowed something could you please return any items to you have by the last day of school. We need these items for when we have hot lunches, funerals, and other events. It is very nice that the church is willing to lend items out for people to use, but we need them returned timely. If the church has to replace these items, it is an additional expense.

Lastly if you borrowed a key to use for an event please make sure you return them. We have a limited number and need them to pass along to the next person.
