

Welcome and Announcements

Good morning and welcome to Morrison Zion Lutheran Church on this Christmas Eve morning. It's a joy to be here as we have this special Advent and Christmas Song Service. We have the blessing that the choir is here to glorify our service as well as a small band. It's a joy to be here as we get to look forward to our Savior's birth (that is what Advent is about) and then, as we are heading towards Christmas Day when He is born, we get to rejoice in what it means that our Savior is here.

We welcome you here at Morrison Zion. Our mission is to glorify God as we gather around the Gospel, we grow in that Gospel, and we go to others with that wonderful Gospel as well.

If you are joining us online, we thank you for joining us and encourage you to sign our Friendship Register online. Everything should be in your Service Folder or on the big screens. In our Song Service today, we will have some readings that tell us about who and what Christmas is all about—about Jesus, our Savior. We get to sing some of those Advent/Christmas songs that, because the season comes and goes pretty quickly, we don't get to sing them all that often.
